Dear Friend of Animals,

As we approach Be Kind to Animals Week, I am reaching out to you with a heartfelt appeal on behalf of the Quad City Animal Welfare Center (QCAWC). We are a nonprofit organization dedicated to providing shelter, care, and love to animals in need in our community.

At the QCAWC, we believe that every animal deserves a safe and loving home. However, with the ongoing challenges we face, including overpopulation and homelessness among animals, our resources are stretched thin. That's why we rely on the generosity of compassionate individuals like you to support our mission.

Your donation plays a crucial role in helping us provide essential services such as shelter, food, medical care, and spay/neutering procedures for our furry friends. By supporting our nonprofit animal shelter and spay/neuter clinic, you are not only helping to improve the lives of individual animals but also contributing to the overall welfare of our community.

During Be Kind to Animals Week, I urge you to join us in making a difference. Your generosity can make a profound impact on the lives of countless animals in need. No donation is too small, and every dollar goes directly toward supporting our vital programs.

Together, we can create a brighter future for animals in our community. Thank you for your kindness, compassion, and unwavering support.

With heartfelt gratitude,

Patti McRae
