OUR MISSION

QUAD CITY ANIMAL WELFARE CENTER

The mission of the Quad City Animal Welfare Center is to operate a shelter for homeless animals, to offer a spay and neuter program and provide humane education. We are the only full-service, no-kill shelter serving the Quad-Cities area.

Capital Campaign 2016

QCAWC'S DREAM

GROWING TO SAVE MORE LIVES

The Quad City Animal Welfare Center is growing, and we want you to be a part of it! Because of the generosity of those who willed us money to continue our mission, the shelter was able to purchase and renovate an additional building to expand our spay/neuter program and wellness clinics, and increase the amount of homeless cats and dogs we can house.

In order to complete the dream, we must raise funds for additional equipment to increase the amount of cats and dogs we can spay and neuter. We also are in need of funding in order to renovate our shelter building to provide additional housing for homeless animals. Please make a contribution today to help us continue saving animals one life at a time! Our goal is raising \$275,000.

JUST THE NUMBERS....

Last year, QCAWC:

- Matched 861 animals with loving homes
- Spayed/neutered 3,307 cats and dogs
- Had 3,349 visits to our wellness clinic
- Reached 5,000+ children through humane education
- Taught more than 100 groups about dog bite safety
- Visited nursing homes more than 50 times

The new building will allow us to:

- Increase our spay/neuter surgeries to 6,000+
- Add additional wellness clinic hours
- Take progressive steps to ensure the health of adoptable animals by creating a brand new isolation and quarantine facility

INCREASING OUR IMPACT

SECOND LOCATION TO INCREASE SERVICES

QCAWC's second location is the 7,000 square foot former Abel-Keppy Animal Hospital building, located at 612 West 1st Street, Milan, IL. The demand for surgery and wellness services has been very high in the last few years, and we are excited to open this building and expand our services to meet the demand!

Currently, some spay/neuter surgeries are booked out for five months, and that is just too long for an owner and pet to have to wait. The new facility will allow us to double our capacity for spay/neuter surgeries, and also offer additional wellness clinics.

IMPROVING OUR FIRST LOCATION

QCAWC's location at 724 W. 2nd Avenue in Milan, IL will remain open as QCAWC's Adoption and Humane Education center. Once the funding is raised, the available space from the clinic moving will be used for shelter animal housing and enrichment.

The current building was built in 1997, although the shelter got its start on the same piece of property in 1977. It was expanded in 1999 to add the humane education center, and then again in 2006 in order to allow more room for clinic services and shelter animals. The building is now about 11,500 square feet.

LEAVING A LEGACY OF COMPASSION

Purchasing and renovating the clinic building was possible due to the generosity of supporters who left money to the shelter. Investing in planned gifts is a wonderful and seamless way to help QCAWC's mission continue. Please consider planned giving!
